

**Paul Christian McCormick, MD, MPH, FAANS**  
**Neurosurgery, Spine**

Department of Neurological Surgery  
Neurological Institute  
710 West 168th Street, 5th Floor, New York, NY 10032  
Phone: 212-305-7976 / Email: pcm6@cumc.columbia.edu

**DATE OF PREPARATION** March 1, 2016

**PERSONAL DATA** Born: January 7, 1956  
Birthplace: Washington, DC  
Status: Married, 3 children  
Citizenship: USA

**MD LICENSURE** New York State: 154934 / New Jersey: 54630  
DEA Registration: BM1753157  
New Jersey CDS: D52192

**ACADEMIC TRAINING**

1970 – 1974 Georgetown Preparatory School, North Bethesda, MD

1974 – 1978 Columbia College, Columbia University, New York  
BA – English, May, 1978

1978 – 1982 College of Physicians and Surgeons, Columbia University, New York  
MD – May, 1982

1998 – 2000 Executive Masters of Public Health (MPH) in Health Services  
Management/Clinical Effectiveness & Outcomes, Columbia University  
School of Public Health, MPH – October, 2000

**TRAINEESHIPS**

July 1982 – June 1983 Intern in General Surgery – Columbia Presbyterian Hospital, New York

July 1983 – June 1984 Medical Staff Fellow – National Institutes of Health, Surgical Neurology  
Branch, Bethesda, MD

July 1984 – June 1989 Neurosurgical Residency – New York Neurological Institute, New York

July 1989 – June 1990 Spinal Surgery Fellowship – Medical College of Wisconsin, Milwaukee, WI

**BOARD CERTIFIED** May 1993 American Board of Neurological Surgery – 93042

**MAINTENANCE OF CERTIFICATION** March 2015 American Board of Neurological Surgery – 93042

**ACADEMIC APPOINTMENTS**

July 1990 – June 1995 Assistant Professor of Clinical Neurosurgery – Department of  
Neurological Surgery, College of Physicians & Surgeons,  
Columbia University, New York

July 1995 – June 2001 Associate Professor of Clinical Neurosurgery – Department of  
Neurological Surgery, College of Physicians & Surgeons,  
Columbia University, New York

July 2001 – June 2006 Professor of Clinical Neurosurgery (Tenure of Title) – Department of Neurological Surgery College of Physicians & Surgeons, Columbia University, New York

June 2006 – Present Herbert and Linda Gallen Professor – Department of Neurological Surgery, College of Physicians & Surgeons, Columbia University, New York

### **HOSPITAL APPOINTMENTS**

July 1990 – June 1995 Assistant Attending – Presbyterian Hospital in the City of New York

July 1995 – June 2001 Associate Attending – Presbyterian Hospital in the City of New York

July 2001 – Present Attending – New York Presbyterian Hospital

July 2001 – Present Director – The Spine Center at the Neurological Institute of New York

July 2001 – Present The Valley Hospital, Ridgewood, NJ

### **PROFESSIONAL ORGANIZATIONS & ASSOCIATIONS**

- American Academy of Neurological Surgeons
- American Association of Neurological Surgeons (AANS)
- Congress of Neurological Surgeons (CNS)
- Society of University Neurosurgeons (SUNS)
- Faculty American College of Surgeons (FACS)
- The Society of Neurological Surgeons
- American Medical Association
- New York State Neurosurgical Society
- Medical Society of the State of New York
- New Jersey State Neurosurgical Society
- Bergen County Medical Society
- Wisconsin State and Milwaukee County Medical Society

### **COMMITTEE APPOINTMENTS / ELECTIONS**

- Spine Task Force (David Kelly, MD, Chairman), 1992 – 1993
- Scientific Program Committee – Annual Meeting Congress of Neurological Surgeons, Vancouver, BC, 1993
- Poster Committee Chairman – Annual Meeting Congress of Neurological Surgeons, Vancouver, BC, 1993
- Scientific Program Committee – Annual Meeting Joint Section on Disorders of the Spine and Peripheral Nerves, Fort Lauderdale, FL, 1994
- Poster Committee – Annual Meeting Congress of Neurological Surgeons, Chicago, IL, 1994
- Membership Committee – Congress of Neurological Surgeons, 1993 – 1998
- Executive Committee, Member-at-Large – Congress of Neurological Surgeons, 1995 – 1998
- Chairman, Membership Committee – Congress of Neurological Surgeons, 1995 – 1998
- Scientific Program Committee – Annual Meeting American Association of Neurological Surgeons (AANS), 1997 – 2000
- Scientific Program Committee – Annual Meeting Congress of Neurological Surgeons, New Orleans, LA, 1997
- Program Committee – Annual Meeting Joint Section Disorders of the Spine and Peripheral Nerves, 1997
- Steering Committee – Consortium for Spinal Cord Injury Medicine Clinical Practice Guidelines, 1997
- American Association of Neurological Surgeons Pedicle Screw Task Force, 1996 – 1997
- Joint Spine Section Task Force – Guidelines for Lumbar Spine Fusion, 1997
- Society of University Neurosurgeons (SUNS), 1997

- CNS Representative – Joint Council of State Neurological Societies (JCSNS), 1995 – 1998
- Liaison Committee Chairman – AANS/American Academy of Orthopedic Surgeons, 1996 – 1998
- Chairman – Outcomes Subcommittee, Joint Section on Disorders of the Spine and Peripheral Nerves, 1996 – 2000
- Education Subcommittee – Joint Section on Disorders of the Spine and Peripheral Nerves, 1997– 2001
- Executive Committee, Member-at-Large – Joint Section on Disorders of the Spine and Peripheral Nerves, 1996 – 1998
- Vice President – Congress of Neurological Surgeons (CNS), 1998 – 1999
- American Academy of Neurological Surgeons, 1998
- Executive Committee – Society of Practitioners of the Columbia Presbyterian Medical Center, 1998 – 2000
- Chairman – Elect AANS/CNS Joint Section on Disorders of the Spine and Peripheral Nerves, 2000 – 2001
- Chairman – AANS/CNS Joint Section on Disorders of the Spine and Peripheral Nerves, 2001 – 2002
- Board of Directors – Musculoskeletal Education and Research Institute, 1999 – 2004
- Chairman – Scientific Program Committee, Annual Meeting, AANS, 1999 – 2000
- Nominating Committee – Congress of Neurological Surgeons, 2000 – 2002
- Medical Advisory Board, The Alan T. Brown Foundation to Cure Paralysis, 2001 – 2008
- Board of Directors, Director at Large – AANS, 2002 – 2005
- Society of Neurological Surgeons, 2002
- Fellowship Review Committee, Committee on Accreditation for Subspecialty Training (CAST), 2002
- Director – American Board of Neurological Surgery, 2004 – 2010
- Vice Chairman – American Board of Neurological Surgeons, 2009 – 2010
- AANS Development Committee, 2004 – Present
- AANS Education and Maintenance of Certification Committee, 2004 – Present
- AANS Digital Technology Committee, 2006
- Voting Member – FDA Orthopedic and Rehabilitation Device Panel, 2006 – 2010
- Board of Directors – Executive Committee (Treasurer), AANS, 2007 – 2010
- AANS Corporate Task Force, 2007 – 2009
- AANS Distinguished Service Award Committee, 2007 – 2010
- Chairman – AANS Finance Committee, 2007– 2010
- AANS Long Range Planning Committee, 2007 – 2010
- AANS National Research and Education Foundation (NREF), ex-officio, 2007 – 2009
- Director (Treasurer) NeuroPoint Alliance, LLC, 2008 – 2010
- Senior Advisory Committee Joint AANS/CNS Spine Section, 2008 – Present
- Executive Council – AANS National Research and Education Foundation (NREF), 2009 – Present
- Educational Grants Committee – AANS National Research and Education Foundation (NREF), 2009 – Present
- Dean’s Advisory Council – Columbia University College of Physicians and Surgeons, 2010
- Chairman – AANS Strategic Planning Committee, 2010 – 2012
- President Elect – AANS Strategic Planning Committee, 2010 – 2011
- President – AANS, 2011 – 2012
- Past President – AANS, 2012 – 2013
- Chairman – AANS Ad Hoc Committee on AANS Conflict of Interest Policy Review, 2013 – 2014
- Board of Directors – Collaborative Spine Research Foundation (CSRF) Chairman, Research Agenda Committee – Collaborative Spine Research Foundation (CSRF). Chairman, Peer Review Grants Committee– Collaborative Spine Research Foundation (CSRF), 2012 – 2014
- Board of Directors- NeuroPoint Alliance (NPA) 2015-
- Board of Visitors- Columbia University College 2015-

#### **OTHER PROFESSIONAL ACTIVITIES**

- Editorial Board – *Neurosurgery*, 1994 – Present
- Section Editor, Topic Reviews – *Neurosurgery*, 1996 – 2006

- Editorial Board – *Journal of Neurosurgery*, 2001 – 2008
- Editorial Board – *Journal of Neurosurgery: Spine*, 2001 – 2008
- Chairman, Editorial Board – *Journal of Neurosurgery: Spine*, 2007-2008
- Associate Editor, Editorial Board – *Spine*, 2005-2011
- Deputy Editor – *Spine*, 2000 – 2005
- Editorial Board – *The Spine Journal* (Official Journal of the North American Spine Society), 2000– 2009
- Editorial Board – *Contemporary Reviews* (North American Spine Society), 2001 – 2008
- Editorial Board – *Journal of Neuro-Oncology*, 2008 – Present
- Reviewer – *Surgical Neurology*, 2000 – Present
- Reviewer – *Cancer*, 2007
- Reviewer – *Journal of Neuro-Oncology*, 2007 – 2008
- Reviewer – *The Lancet*, 2008
- Consulting Editor – *Neurosurgery Clinics of North America* (Elsevier, Inc.), 2003 – 2012

## GRANTS

- Prospective multicenter study of lumbar disc herniation. Principle Investigator – \$20,000 William F. Bradley Foundation, *December 1999*
- Prospective multicenter study of lumbar disc herniation. Principle Investigator – \$20,000 William F. Bradley Foundation, *December 2000*
- Prospective randomized study of surgery vs. non-operative management of lumbar spinal stenosis. Principle Investigator – \$20,000 William F. Bradley Foundation, *December 2003*
- Prospective randomized study of surgery vs. non-operative management of lumbar spinal stenosis. Principle Investigator – \$60,000 American Association of Neurological Surgeons, Congress of Neurological Surgeons, Joint Spine Section, *2003*

## TECHNOLOGY DEVELOPMENT

- Sofamor Danek: Zephir Titanium Cervical Plate Co-Developers: Richard Assaker, Paul McCormick

## OTHER RESEARCH ACTIVITY

- Safety Officer – Grant #R21AR47120 Radiotherapy to Prevent Fibrosis after Lumbar Laminectomy
- Principal Investigator – Peter Gerszten, University of Pittsburgh
- Principle Investigator – AANS/CNS Joint Spine Section Multicenter Study of Lumbar Disc Herniation, *1999 – 2001*
- Principle Investigator – AANS/CNS Joint Spine Section Prospective Randomized Study Comparing Surgery to Non-operative Management of Lumbar Spinal Stenosis, *2003 – 2005*
- Principle Investigator – Fusion Rates after Anterior Cervical) Discectomy and Fusion with a Low-Profile Anterior Cervical Plate. Columbia # IRB – AAA0700, *2003 – 2006*
- Principle Investigator – A Comparative Evaluation of Human Thrombin Versus Bovine Thrombin in Achieving Hemostasis in Patients Undergoing Cardiovascular, Neurologic (Spine), and General Surgery Procedures. Ethicon/Johnson and Johnson, Protocol #400-04-005, Columbia # IRB-AAAB2034, *2003*
- Investigator – Randomized, Third-Party Blinded, Multicenter Clinical Trial to Determine the Safety and Effectiveness of Oxiplex S/P Gel for the Reduction of Pain and Symptoms Following Lumbar Disc Surgery. FzioMed Protocol FZ-SP002, *2003 – 2006*
- Investigator – A Prospective, Multi-Center, Randomized Controlled Study to Compare the Spinal Sealant System as an Adjunct to Sutured Dural Repair with Standard of Care Methods During Spinal Surgery. Confluent Surgical Protocol # DRS-05-001 WIRB Protocol #20051069, WIRB Study # 1070650, *2005 – 2008*
- Investigator planning meeting. Advisory Committee Chair – Cervical Spondylotic Myelopathy Surgical Trial (CSM—S). NIH R13 1R13AR065834-01. Washington DC, *January 2014*
- Chairman, Advisory Committee – Cervical Spondylotic Myelopathy Surgical Trial (CSM-S Trial). Funded by Patient-Centered Outcomes Research Institute (CE 1304-6173), *2014 – 2016*

## HONORS & AWARDS

- Harvey Nova Outstanding Resident Award, 1988
- Award for Academic Excellence (Highest grade point average Executive MPH graduating class) Columbia University School of Public Health, *October 2000*
- America's Top Doctors – *Castle Connolly Medical Ltd., 2001*
- Best Doctors in New York – *New York Magazine, 2001*
- America's Top Doctors – *Castle Connolly Medical Ltd., 2002*
- Best Doctors in New York – *New York Magazine, 2002*
- America's Top Doctors – *Castle Connolly Medical Ltd., 2003*
- Best Doctors in New York – *New York Magazine, 2003*
- America's Top Doctors – *Castle Connolly Medical Ltd., 2004*
- Best Doctors in New York – *New York Magazine, 2004*
- America's Top Doctors – *Castle Connolly Medical Ltd., 2005*
- Best Doctors in New York – *New York Magazine, 2005*
- America's Top Doctors – *Castle Connolly Medical Ltd., 2006*
- Best Doctors in New York – *New York Magazine, 2006*
- America's Top Doctors – *Castle Connolly Medical Ltd., 2007*
- Best Doctors in New York – *New York Magazine, 2007*
- Columbia University John Jay Award for professional achievement, *March 2007*
- Best Doctors in New York – *New York Magazine, 2008*
- Meritorious Award – Joint Section Disorders of Spine and Peripheral Nerves, *March 2009*
- Best Doctors in New York – *New York Magazine, 2010*
- Best Doctors in New York – *New York Magazine, 2011*
- Best Doctors in New York – *New York Magazine, 2012*
- Best Doctors in New York – *New York Magazine, 2013*
- Best Doctors in New York – *New York Magazine, 2014*
- Best Doctors in New York – *New York Magazine, 2015*

#### **INVITED BOOK / SUPPLEMENT FORWARD / PREFACE**

1. Lumbar Interbody Fusion Techniques. Haid RW, McLaughlin MR, Fessler RG (eds): *Quality Medical Publishing*, St. Louis, pp. xi-xii, 2003
2. Spinal Cord Injury Guidelines. *Neurosurgery* 50S: Sii – Siii, 2002
3. Minimally Invasive Surgery of the Spine. *Neurosurgery* 51S: S2v-vi, 2002
4. Cervical Spondylosis. *Neurosurgery* 60S:S1-4, 2007

#### **BOOK REVIEWS**

1. Postoperative Complications of Extracranial Neurological Surgery. *Neurosurgery* 21:1958, 1987
2. Diagnosis and Management of Disorders of the Spinal Cord. *Neurosurgery* 40:416-417, 1997
3. Posterior Cervical Surgery. *Neurosurgery* 43:1250-1251, 1998

#### **ABSTRACTS — INVITED PRESENTATIONS**

1. Blasberg R, McCormick PC, Wright D: Reversible Blood Brain Barrier Disruption Following Intra-Carotid Infusion of Dimethyl Sulfoxide. Presenter. XII International Symposium on Cerebral Blood Flow and Metabolism, Ronnenby, Sweden, 6/16 – 6/20, 1985
2. McCormick PC, Michelsen WJ: Management of Spinal Cord Arteriovenous Malformations. Presenter. 3rd Annual Joint Section on Disorders of the Spine and Peripheral Nerves, Boca Raton, FL, 1/14 – 1/17, 1987
3. McCormick PC, Post KD: Surgical Management of Sacral Tumors. Presenter. 13th Annual Lende Winter Neurosurgical Conference, Snowbird, UT, 1/31 – 2/7, 1987
4. McCormick PC, Post KD: Cavernous Malformations of the Spinal Cord. Presenter. 14th Annual Lende Winter Neurosurgery Conference, Snowbird, UT, 1/30 – 2/6, 1988
5. McCormick PC, Stein BM: Management of Spinal Ependymoma. Presenter. 4th Annual Joint Section of Disorders of the Spine and Peripheral Nerves, Phoenix, AZ, 2/16 – 2/20, 1988
6. Muraszko K, Carmel PW, Swift D, McCormick PC: Tethered Spinal Cord. Presenter. 4th Annual Joint Section on Disorder of the Spine and Peripheral Nerves, Phoenix, AZ, 2/16 – 2/20, 1988

7. McCormick PC, Stein BM, Michelsen WJ: Cavernous Malformation of the Central Nervous System: Report of 58 Operated Cases. Presenter. 41st Annual Meeting of the Neurosurgical Society of America, Hot Springs, VA, 4/5 – 4/9, 1988
8. McCormick PC, Bello JA, Post KD: Trigeminal Schwannoma: Clinical Series of 14 Patients and Review of the Literature. Poster Presenter. Annual Meeting, American Association of Neurological Surgeons, Toronto, Canada, 4/24 – 4/28, 1988
9. Muraszko K, Carmel PW, Swift D, McCormick PC: Tethered Spinal Cord: Clinical Presentation, Neurologic Findings, Intraoperative Evoked Potential Monitoring, and Surgical Outcome. Presenter. Annual Meeting, American Association of Neurological Surgeons, Toronto, Canada, 4/24 – 4/28, 1988
10. McCormick PC, Michelsen WJ, Stein BM: Cavernous Malformations of the Central Nervous System. Presenter. Annual Meeting, American Association of Neurological Surgeons, Toronto, Canada, 4/24 – 4/28, 1988
11. McCormick PC, Post KD: Trigeminal Schwannomas. Presenter. 6th International Symposium on Neurological Surgery of the Ear and Skull Base, Zurich, Switzerland, 5/28 – 6/2, 1988
12. McCormick PC, Stein BM: Spinal Ependymoma: Evaluation of Recovery Following Complete Removal. Presented at the 6th Annual Stonwin Medical Conference, Westchester, NY, 7/9 – 7/11, 1988
13. McCormick PC, Stein BM: Cavernous Malformations of the Spinal Cord. Presented at the 6th Annual Stonwin Medical Conference, Westchester, NY, 7/9 – 7/11, 1988
14. McCormick PC, Solomon RA, Michelsen WJ, Stein BM: Treatment Strategies in Patients with Coexistent Arterial Aneurysms and Arteriovenous Malformations. Poster Presenter. Annual Meeting, Congress of Neurological Surgeons, Seattle, WA, 9/24 – 9/28, 1988
15. McCormick PC: Intramedullary Tumors. Grand Rounds. Department of Neurosurgery, Columbia University College of P & S, New York, NY, 10/1988
16. McCormick PC: Management of Cervical and Lumbar Discitis. Luncheon Seminar Panelist. Annual Meeting, Congress of Neurological Surgeons, Atlanta, GA, 10/28 – 11/2, 1989
17. McCormick PC: Primary and Secondary Tumors of the Spine. Seminar Panelist. Annual Meeting, Congress of Neurological Surgeons, Los Angeles, CA, 10/20 – 10/25, 1990
18. McCormick PC: Lumbar Stenosis. Patient Selection and Operative Techniques. Seminar Panelist. Annual Meeting, American Association of Neurological Surgeons, New Orleans, LA, 4/20 – 4/25, 1991
19. McCormick PC: Pitfalls in Cervical Spine Surgery. Seminar Panelist. Annual Meeting, Congress of Neurological Surgeons, Orlando, FL, 10/1991
20. McCormick PC: Surgical Approach to the Thoracic Spine. Seminar Panelist. Annual Meeting, American Association of Neurological Surgeons, San Francisco, CA, 4/1992
21. McCormick PC: The Lateral Extracavitary Approach to the Thoracic and Lumbar Spine. Honored Guest Lecturer. 43rd Annual Meeting of the Portuguese-Spanish Neurosurgical Society, Estoril, Portugal, 5/20 – 5/23, 1992
22. McCormick PC: Intramedullary Tumors of the Spinal Cord. Honored Guest Lecturer. 43rd Annual Meeting of the Portuguese-Spanish Neurosurgical Society, Estoril, Portugal, 5/20 – 5/23, 1992
23. McCormick PC: Spinal Instrumentation. Honored Guest Lecturer. 43rd Annual Meeting of the Portuguese-Spanish Neurosurgical Society, Estoril, Portugal, 5/20 – 5/23, 1992
24. Lustgarten J, McCormick PC: Spinal Epidural Lipomatosis. Poster Presenter. Annual Meeting, American Association of Neurological Surgeons, San Francisco, CA, 4/1992
25. Cunha e Sa MJ, Stein BM, Solomon RA, McCormick PC: The Treatment of Associated Intracranial Aneurysms and Arteriovenous Malformation. Poster Presenter. Annual Meeting, American Association of Neurological Surgeons, San Francisco, CA, 4/1992
26. McCormick PC: Complex Spine Instrumentation. Invited Lecturer. New Jersey Neurosurgical Society. 6/1992
27. McCormick PC, Stein BM: Surgical Management of High Cervical and Cervicomedullary Spinal Cord Tumors. Presenter. American Academy of Neurological Surgery, Naples, FL, 10/1992
28. McCormick PC: Spinal Infections. Seminar Panelist. Annual Meeting, American Association of Neurological Surgeons, Boston, MA, 4/1993
29. McCormick PC: The Challenge of Spinal Column Neoplasms. Seminar Panelist. Annual Meeting, American Association of Neurological Surgeons, Boston, MA, 4/1993

30. McCormick PC: The Anatomic Basis of Intradural Spinal Surgery. Plenary Session. Congress of Neurological Surgeons, Vancouver, Canada, *10/1993*
31. McCormick PC: Intramedullary Spinal Cord Tumors. Seminar Panelist. Congress of Neurological Surgeons, Vancouver, *10/1993*
32. McCormick PC: The Indications and Techniques of Lumbar Spine Fusion. Seminar Panelist. Annual Meeting, American Association of Neurological Surgeons, San Diego, *4/1994*
33. McCormick PC: Intramedullary Spinal Cord Tumors. Seminar panelist. Congress of Neurological Surgeons, Chicago, *10/1994*
34. McCormick PC: Lumbar Spine Instability. Academy of Neurological Surgeons. Sea Island, GA, *11/1994*
35. McCormick PC: Comparison of Instrumented and Noninstrumented Fusions of the Lumbar Spine. Joint Section Spine and Peripheral Nerve, Phoenix, AZ, *2/1995*
36. McCormick PC: Lumbar Spine Instability. Seminar Panelist. Annual Meeting, American Association of Neurological Surgeons, Orlando, FL, *4/1995*
37. McCormick PC: Management of thoracolumbar fractures: Seminar Panelist. American Association of Neurological Surgeons, *4/1996*
38. McCormick PC: Extrapleural Approaches to the Anterior Thoracic and Thoracolumbar Spine. Honored Guest Presenter. Annual Portuguese Neurological Society Meeting, Lisbon, Portugal, *5/1996*
39. McCormick PC: Intramedullary Spinal Cord Tumors. Honored Guest Presenter. Annual Portuguese Neurological Society Meeting, Lisbon, Portugal, *5/1996*
40. McCormick PC: Criteria for patient selection: Degenerative Lumbar Instability. General Scientific Session. Annual Meeting, Congress of Neurological Surgeons, Montreal, Canada, *9/1996*
41. McCormick PC: Sagittal Balance: Surgical Techniques and Considerations. Special Course. Annual Meeting, Congress of Neurological Surgeons, Montreal, Canada, *9/1996*
42. McCormick PC: Management of Spinal Canal Tumors. Seminar Panelist. Annual Meeting, Congress of Neurological Surgeons. Montreal, Canada, *9/1996*
43. McCormick PC: Surgical Approaches to the Thoracic Spine. Invited Lecturer. Albert Einstein College of Medicine, Department of Neurosurgery, New York, NY, *3/1997*
44. McCormick PC: Management of Dumbbell and Paraspinal Tumors of the Spine. Seminar Panelist. Annual Meeting, American Association Neurological Surgeons, Denver, CO, *4/1997*
45. McCormick PC: Surgical Exposure and Stabilization of the Cervico–thoracic Junction and Thoracic Spine. Seminar Moderator. Annual Meeting, American Association of Neurological Surgeons, Denver, CO, *4/1997*
46. McCormick PC: Anterior and Anterolateral Approaches to the Spine: Seminar panelist/moderator. Annual Meeting, Congress of Neurosurgical Surgeons, New Orleans, LA, *9/1997*
47. Birch BD, McCormick PC: Surgical Management of Dumbbell and Paraspinal Tumors of the Thoracic and Lumbar Spine. Abstract. Annual Meeting, Congress of Neurological Surgeons, New Orleans, LA, *9/1997*
48. Birch BD, Kaiser MG, McCormick PC: Surgical Management of Dumbbell Tumors of the Cervical Spine. Abstract. Annual Meeting, Congress of Neurological Surgeons, New Orleans, LA, *9/1997*
49. McCormick PC: Surgical Exposure of the Anterior Thoracic and Lumbar Spine. Seminar Moderator. Annual Meeting, American Association of Neurological Surgeons, *4/1998*
50. McCormick PC: Intraoperative Complications of Surgical Exposures of the Cervical Spine. Invited Presentation. 3rd Annual Indiana Spine Trauma Symposium, Indianapolis, IN, *5/1998*
51. McCormick PC: Post Traumatic Thoracolumbar Kyphosis–Management Options. Invited Presentation. 3rd Annual Indiana Spine Trauma Symposium, Indianapolis, IN, *5/1998*
52. McCormick PC: Management of Sagittal Plane Deformities. Invited Presentation. Annual Meeting, Congress of Neurological Surgeons, Seattle, WA, *10/1998*
53. McCormick PC: Adjuvant Therapies for Spinal Cord Tumors. Invited Presentation. Annual Meeting, Congress of Neurological Surgeons, Boston, MA, *10/1999*
54. McCormick PC: Outcomes Assessment for Spinal Surgery. Seminar Speaker. Annual Meeting, Congress of Neurological Surgeons, Boston, MA, *10/1999*
55. McCormick PC: Treatment Strategies for Spinal Cord Tumors. Seminar Speaker. Annual Meeting, Congress of Neurological Surgeons, Boston, MA, *10/1999*
56. Frandina RL, Fiore AJ, McCormick PC, et al: PTEN Mutations in Spinal Cord Ependymomas Abstract. Annual Meeting, Congress of Neurological Surgeons, Boston, MA *10/1999*

57. McCormick PC: Intramedullary Tumors of the Spinal Cord. Invited Lecturer. Department of Neurosurgery, Henry Ford Hospital, Detroit, MI 3/2000
58. McCormick PC: Management of Intramedullary Spinal Cord Pathology from a Neurosurgical Perspective. Grand Rounds, Department of Neurosurgery, Columbia University College of P & S, New York, NY, 4/2000
59. McCormick PC: Complications of Complex Spine Surgery: Lessons Learned. Seminar Moderator. Annual Meeting, American Association of Neurological Surgeons, San Francisco, CA, 4/2000
60. McCormick PC: Invited Discussant: Surgical Treatment of Intramedullary Spinal Cord Tumors. Annual Meeting, American Association of Neurological Surgeons, San Francisco, CA, 4/2000
61. McCormick PC: Outcomes Assessment for Spinal Surgery. Seminar Moderator. Annual Meeting, Congress of Neurological Surgeons, San Antonio, TX, 9/2000
62. McCormick PC: Treatment Strategies for Spinal Cord Tumors. Seminar Speaker. Annual Meeting, Congress of Neurological Surgeons, San Antonio, TX, 9/2000
63. McCormick PC: The Need for Outcomes Studies: What Are We Doing In Neurosurgery? Invited Speaker. Annual Meeting, Congress of Neurological Surgeons, San Antonio, TX, 9/2000
64. McCormick PC: Management of Intradural Tumors. Invited Speaker. Annual Meeting, Congress of Neurological Surgeons, San Antonio, TX, 9/2000
65. McCormick PC: The Anatomy of Intradural Spinal Surgery. Invited Lecturer. Johns Hopkins University Department of Neurosurgery, Baltimore, MD, 1/11/2001
66. McCormick PC: Case Discussions – Cervical. Seminar Moderator. 7th Annual International Course on Total Spine: Advanced Concepts and Constructs, Cancun, Mexico, 3/2001
67. McCormick PC: Anterior Cervical Plating Workshop. Course Instructor. 7th Annual International Course on Total Spine: Advanced Concepts, Cancun, Mexico, 3/2001
68. McCormick PC: Complications of Complex Spine Surgery. Seminar Moderator. Annual Meeting, American Association of Neurological Surgery, Toronto, Canada, 4/2001
69. McCormick PC: Cervical Challenges. Panel Member. 8th International Meeting, Advanced Spine Techniques (IMAST). Bahamas, 7/2001
70. McCormick PC: Management of Difficult Spine Lesions with Novel Spine Approaches. Seminar Speaker. Annual Meeting, Congress of Neurological Surgeons, San Diego, CA, 9/2001
71. McCormick PC: Evidenced Based Treatment Guidelines: An Introduction. Invited Speaker. Annual Meeting, Congress of Neurological Surgeons, San Diego, CA, 9/2001
72. McCormick PC: Comprehensive Approaches and Risks to the Treatment of Spinal Cord Tumors. Seminar Moderator. Annual Meeting, American Association of Neurological Surgeons. Chicago, IL, 4/2002
73. McCormick PC: Complications in Complex Spine Surgery. Seminar Moderator. Annual Meeting, American Association of Neurological Surgeons, Chicago, IL, 4/2002
74. McCormick PC: Invited Discussant (Laparoscopic Anterior Lumbar Interbody Fusion. Lefkowitz et al). Annual Meeting. American Association of Neurological Surgeons, Chicago, IL, 4/2002
75. McCormick PC: Medical Management of Acute Spine Cord Injury. Invited Speaker. Annual Meeting, American Association of Neurological Surgeons, Chicago, IL, 4/2002
76. McCormick PC: Spinal Cord Surgery. Invited Lecturer. New York Medical College Department of Neurosurgery, New York, NY, 4/26/2002
77. McCormick PC: Cervical Spondylotic Myelopathy: Case Management Perspectives. Invited Speaker. Annual Meeting, Congress of Neurological Surgery, Philadelphia, PA, 9/2002
78. McCormick PC: The Anatomic Principles of Intradural Spinal Surgery Part I: Intramedullary Lesions. Invited Lecturer. University of Pittsburgh Department of Neurological Surgery, Pittsburgh, PA, 11/10/2002
79. McCormick PC: The Anatomic Principles of Intradural Spinal Surgery Part II: Extramedullary Lesions. Invited Lecturer. University of Pittsburgh Department of Neurological Surgery, Pittsburgh, PA, 11/10/2002
80. McCormick PC: Principles of Spinal Cord Surgery. Invited Lecturer. Mount Sinai Department of Neurological Surgery, New York, NY, 2/5/2003
81. McCormick PC: Paraspinal Tumors: Investigations and Surgical Approaches. Invited Lecturer. Annual Meeting AANS/CNS Joint Section on Disorders of the Spine and Peripheral Nerves, Tampa, FL, 3/2003
82. McCormick PC: The Joint Spine Section's Position on the SPORT Trial. Invited Lecturer. Annual

- Meeting AANS/CNS Joint Section on Disorders of the Spine, Tampa, FL, 3/2003
83. McCormick PC: Intradural Spinal Surgery. Invited Lecturer. Cornell University Department of Neurological Surgery, New York, NY, 3/23/2003
  84. McCormick PC: Comprehensive Approaches and Risks to the Treatment of Spinal Cord Tumors. Seminar Moderator. Annual Meeting, American Association of Neurological Surgeons, San Diego, CA, 4/2003
  85. McCormick PC: Complications in Complex Spinal Surgery: Lessons Learned. Invited Speaker. Annual Meeting, American Association of Neurological Surgeons, San Diego, CA, 4/2003
  86. McCormick PC: Surgical Considerations in the Management of Dumbbell and Paraspinal Tumors of the Spine. Invited Lecturer. New York University Department of Neurological Surgery, New York, NY, 5/23/2003
  87. McCormick PC: Fundamentals of Evidenced Based Clinical Practice: Clinical Assessment of Spinal Cord Injury. Invited Lecturer. Annual Meeting, Congress of Neurological Surgeons, Denver, CO, 10/2003
  88. McCormick PC: The Wrong Science: The SPORT Trial and Its Potential Impact on Neurosurgery. Invited Lecturer. Annual Meeting, Congress of Neurological Surgeons, Denver, CO, 10/2003
  89. McCormick PC: ACDF: Anterior Foraminotomy vs. Posterior Foraminotomy – Indications, Techniques, and Results. Invited Lecturer. SSAF International Course, New York, NY, 12/6/2003
  90. McCormick PC: Case Discussions: Cervical Spondylosis. Invited Seminar Panelist. SSAF International Course on Spinal Focus, New York, NY, 12/6/2003
  91. McCormick PC: Invited Discussant (Changes in Myogenic Transcranial Motor Evoked Potential Responses during Intramedullary Spinal Cord Tumor Resection Predicts Severity of Postoperative Motor Function.) Annual Meeting, American Association of Neurological Surgeons, Orlando, FL, 5/2004
  92. McCormick PC: Comprehensive Approaches and Risks to the Treatment of Spinal Cord Tumors. Seminar Moderator. Annual Meeting, American Association of Neurological Surgeons, Orlando, FL, 5/2004
  93. McCormick PC: Complications in Complex Spinal Surgery: Lessons Learned. Invited Speaker. Annual Meeting, American Association of Neurological Surgeons, Orlando, FL, 5/2004
  94. McCormick PC: Cervico–Thoracic Spine Case Presentations. Invited Speaker. Annual Meeting, American Association of Neurological Surgeons, Orlando, FL, 5/2004
  95. McCormick PC: Complex Cervical Spine Surgery. Invited Lecturer. Lenox Hill Department of Orthopedic Surgery, New York, NY, 5/2004
  96. McCormick PC: Treatment of Intramedullary Spinal Cord Tumors: Microsurgery and Molecular Biology. Invited Speaker. Annual Meeting, Congress of Neurological Surgeons, San Francisco, CA, 10/2004
  97. McCormick PC: Management of Spinal and Paraspinal Tumors. Invited Speaker. Annual Meeting, Congress of Neurological Surgeons, San Francisco, CA, 10/2004
  98. McCormick PC: Intradural Spinal Surgery. Invited Lecturer. University of Medicine and Dentistry New Jersey (UMDNJ) Department of Neurosurgery, Newark, NJ, 2/2005
  99. McCormick PC: Management of Cervical Paraspinal Tumors. Invited Speaker. Annual Meeting, Joint Section on Disorders of the Spine and Peripheral Nerves, Phoenix, AZ, 3/2005
  100. McCormick PC: Complications of Complex Spinal Surgery: Lessons Learned. Invited Speaker. Annual Meeting, American Association of Neurological Surgery, New Orleans, LA, 4/2005
  101. McCormick PC: Spinal Cord Tumors. Invited Moderator. Annual Meeting, American Association of Neurological Surgery, New Orleans, LA, 4/2005
  102. McCormick PC: Cervical and Thoracic Case Presentations. Ask the Experts. Invited Speaker. Annual Meeting, American Association of Neurological Surgery, New Orleans, LA, 4/2005
  103. McCormick PC: Invited Discussant (Bryant Cervical Artificial Disc). Annual Meeting, American Association of Neurological Surgery, New Orleans, LA, 4/2005.
  104. McCormick PC: Principles of Intradural Spinal Surgery. Invited Lecturer. University of San Francisco Department of Neurosurgery, San Francisco, CA, 6/8/2005
  105. McCormick PC: Spinal Cord Surgery. Invited Lecturer. Stanford University Department of Neurosurgery, Stanford, CA, 6/9/2005
  106. McCormick, PC: Management of Intradural Spinal Tumors. Seminar Moderator. Annual Meeting, Congress of Neurological Surgeons, Boston, MA, 10/2005
  107. McCormick PC: The Artificial Disc. Invited Speaker. Annual Meeting of the American Academy of Neurological Surgeons, California, 11/2005
  108. McCormick PC: Evaluation and Management of Degenerative Lumbar Scoliosis. Invited Lecturer.

- VIII Annual Course on Clinical and Radiology, Guadalajara, Mexico, 1/20 – 1/21, 2006
109. McCormick PC: Management of Paraspinal Tumors. Invited Lecturer. VIII Annual Course on Clinical and Radiology, Guadalajara, Mexico 1/20 – 1/21, 2006
  110. McCormick PC: Indications and Techniques of Combined Dorsal and Ventral Surgery of the Cervical Spine. Invited Lecturer. VIII Annual Course on Clinical and Radiology, Guadalajara, Mexico, 1/20 – 1/21, 2006
  111. McCormick PC: Spinal Cord Tumors: Neurosurgical Approaches and Risk Avoidance. Seminar Moderator. Annual Meeting, American Association of Neurological Surgeons, San Francisco, CA, 4/2006
  112. McCormick PC: Complications and Complex Spine Surgery: Lessons Learned. Invited Speaker. Annual Meeting, American Association of Neurological Surgeons, San Francisco, CA, 4/2006
  113. McCormick PC: Lumbar Spine Fusion: Indications, Patient Selection, and Current Techniques. Invited Speaker. Annual Meeting, American Association of Neurological Surgeons, San Francisco, CA, 4/2006
  114. McCormick PC: Cervico–Thoracic Spine Surgery: Meet the Experts. Invited Speaker. Annual Meeting, American Association of Neurological Surgeons, San Francisco, 4/2006.
  115. McCormick PC: Invited Discussant (Radiographic Analysis of Prestige ST Cervical Disc: Results from a randomized Clinical Trial). Annual Meeting, American Association of Neurological Surgery, San Francisco, CA, 4/2006
  116. McCormick PC: Invited Discussant (Spinal Cord Tumors). Japanese American Friendship Symposium. Annual Meeting, American Association of Neurological Surgery, San Francisco, CA 4/2006
  117. McCormick, PC: Management of Intradural Spinal Tumors. Seminar Moderator. Annual Meeting, Congress of Neurological Surgeons, Chicago, IL, 10/2006
  118. McCormick, PC: Surgical Masters Video: Giant Spinal Cord Hemangioblastoma. Invited Presenter. Annual Meeting, Congress of Neurological Surgeons, Chicago, IL, 10/2006
  119. McCormick PC: Intradural Spinal Cord Surgery. Invited Lecturer. University of Virginia Department of Neurosurgery, Charlottesville, VA, 12/15/2006
  120. McCormick PC: The SPORT Trial: A Critical Review. Invited Lecture. Invited Speaker. Annual Meeting, Joint Section on Disorders of the Spine and Peripheral Nerves, Phoenix, AZ, 2/2007
  121. McCormick PC: Invited Discussant (Natural History of Spinal Cord Cavernomas). Annual Meeting, American Association of Neurological Surgeons, Washington, DC, 4/2007
  122. McCormick PC: Lumbar Spine Fusion: Indications, Patient Selection, and Current Techniques. Invited Speaker, Annual Meeting, American Association of Neurological Surgeons, Washington DC, 4/2007
  123. McCormick PC: Complications and Complex Spine Surgery: Lessons Learned. Invited Speaker, Annual Meeting, American Association of Neurological Surgeons, Washington DC, 4/2007
  124. McCormick PC: Cervico–Thoracic Spine Surgery: Meet the Experts. Invited Speaker. Annual Meeting, American Association of Neurological Surgeons, Washington, DC, 4/2007
  125. McCormick PC: Spinal Cord Tumors: Neurosurgical Approaches and Risk Avoidance. Seminar Moderator. Annual Meeting, American Association of Neurological Surgeons, Washington, DC, 4/2007
  126. McCormick PC: Artificial Disk Replacement: Success or Failure. Invited Lecturer. Annual Meeting, American Association of Neurological Surgeons, Washington DC, 4/2007
  127. McCormick PC: Neurosurgery with the Masters: In my Experience: Spinal Cord Tumors. Annual Meeting, American Association of Neurological Surgeons, Washington DC, 4/2007
  128. McCormick PC: Anatomy of Intradural Spinal Surgery. Invited Lecturer. Emory University Department of Neurosurgery, Atlanta, GA, 5/2007
  129. McCormick PC: The SPORT Trial: What Neurosurgeons Need to Know. Invited Lecturer GSS II. Annual Meeting, Congress of Neurological Surgeons, San Diego, CA, 9/2007
  130. McCormick PC: Spinal Cord Tumors. Seminar Moderator. Annual Meeting, Congress of Neurological Surgeons, San Diego, CA, 9/2007
  131. McCormick PC: Chronic Back and Neck pain. Invited Speaker. Neurology Update 2007: A Review Course for the Medical Practitioner, New York, NY, 9/2007
  132. McCormick PC: The SPORT trial. Invited Lecturer. Cornell University Department of Neurosurgery Grand Rounds, New York, NY, 10/2007
  133. McCormick PC: Intradural Spinal Tumors. Invited Lecturer. Neurosurgery Update. Mount Sinai School of Medicine, New York, NY, 12/2007

134. McCormick PC: Spinal Cord Surgery. Invited Lecturer. LSU Department of Neurosurgery Grand Rounds, Baton Rouge, LA, 12/2007
135. McCormick PC: The Influence of Industry Sponsorship. Invited Lecturer. Annual Lecture, Joint Section on Disorders of the Spine and Peripheral Nerves, Orlando, FL, 2/2008
136. McCormick PC: Complications and Complex Spinal Surgery: Lessons Learned. Invited Speaker. Annual Meeting, American Association of Neurological Surgeons, Chicago, IL, 4/2008
137. McCormick PC: Intramedullary Spinal Cord Tumors. Seminar Moderator. Annual Meeting, American Association of Neurological Surgeons, Chicago, IL, 4/2008
138. McCormick PC: Cervico–Thoracic Spine Neurosurgery: Meet the Experts. Seminar Moderator. Annual Meeting, American Association of Neurological Surgeons, Chicago, IL, 4/2008
139. McCormick PC: Invited Discussant (The Economic Impact of the Prestige® Cervical Disc System: Results from a Randomized Clinical Trial). Annual Meeting, American Association of Neurological Surgeons, Chicago, IL, 4/2008
140. McCormick PC: The Principles of Intradural Spinal Surgery. Invited Speaker. Annual Meeting, American Association of Neurological Surgeons, Chicago, IL, 4/2008
141. McCormick PC: Evaluation of the SPORT Trial. Invited Speaker. Pain Section Symposium. Annual Meeting, American Association of Neurological Surgeons, Chicago, IL, 4/2008
142. McCormick PC: Spinal Cord Surgery. Invited Lecturer. University of California, San Diego Grand Rounds, San Diego, CA, 06/2008
143. McCormick PC: Industry funding: How Can We Advance Patient Care Through Research and Continuing Medical Education? Invited Lecturer. Annual Meeting, Congress of Neurological Surgeons, Orlando, FL 9/2008
144. McCormick PC: Spinal Cord Tumors. Seminar Moderator. Annual Meeting, Congress of Neurological Surgeons, Orlando, FL, 9/2008
145. Ellis JA, Mandigo CM, ... McCormick PC: Spinal Hemangioblastomas: Presentation and Surgical Technique. Abstract. Annual Meeting, Congress of Neurological Surgeons, Orlando, FL, 9/2008
146. McCormick PC: Anatomic Principles of Intradural Spinal Surgery. J. G. Galbraith Visiting Lecturer. University of Alabama, Birmingham, AL, 1/2008
147. McCormick PC: The effect of Industry Funding on Neurosurgical Education and Research. J.G. Galbraith Visiting Lecturer. University of Alabama, Birmingham, AL, 1/2008
148. McCormick PC: Spinal Cord Surgery. Invited Lecturer. University of Toronto, Grand Rounds, Toronto, Canada, 1/2009
149. McCormick PC: Evaluation of Peer Reviewed Literature. Invited Lecturer. University of Toronto, Grand Rounds, Toronto Canada, 1/2009
150. McCormick PC: Spinal Cord Surgery. Invited Lecturer. Wake Forest University, Grand Rounds, Winston Salem, NC, 2/2009
151. McCormick PC: The nature and use of evidence in spinal surgery. Meritorious Award Lecture AANS/CNS Joint Spine Section Annual Meeting, Phoenix, AZ, 03/2009
152. McCormick PC: Intramedullary spinal cord tumors. Seminar Moderator. Annual Meeting, American Association of Neurological Surgeons, San Diego, CA, 5/2009
153. McCormick PC: Invited Discussant (One–year outcome of the STASCIS study). Annual Meeting, American Association of Neurological Surgeons, San Diego, CA, 5/2009
154. Wright NM, Kim KD, ... McCormick PC, ....: DuraSeal Spinal Sealant as an adjunct to sutured dural repair in the spine: Results of a prospective, multicenter, randomized, controlled trial. Abstract. Neurosurgery 65:410, 2009
155. McCormick PC: McCormick PC: Complications and Complex Spinal Surgery: Lessons Learned. Invited Speaker. Annual Meeting, American Association of Neurological Surgeons, San Diego, CA, 5/2009
156. McCormick PC: Intradural extramedullary tumors: Pathologic and clinical pearls. Invited Speaker. Annual Meeting, American Association of Neurological Surgeons, San Diego, CA, 5/2009
157. McCormick PC: Considerations and techniques of cervicothoracic junction stabilization. Invited Speaker. UCSF Neurosurgery Update 2009, Napa, California 7/2009
158. McCormick PC: Anatomic principles of intradural spinal surgery. Invited Speaker. UCSF Neurosurgery Update 2009, Napa, California 7/2009
159. McCormick PC: Retropleural Thoracotomy in Spine 3–D: Technique and Operative Anatomy. Invited

- Speaker. Annual Meeting, Congress of Neurological Surgeons, New Orleans, LA, 10/2009
160. McCormick PC: Randomized Trials for Cervical Arthroplasty. Invited Speaker. 2009 Pool Symposium, New York, NY, 12/2009
  161. McCormick PC: Industry relationships in spine surgery. Invited Speaker. 2009 Pool Symposium, New York, NY 12/2009
  162. McCormick PC: Minimally Invasive Surgery. Where is the Evidence? Invited Speaker. Cornell MIS Course, New York, NY, 12/2009
  163. McCormick PC: Industry relationships in spine surgery. Invited Guest Speaker. Advanced Concepts in Management of Spine Surgery. AO Spine, Sun Valley, ID, 2/2010
  164. McCormick PC: Minimally Invasive surgery. Invited Guest Speaker. Advanced Concepts in Management of Spine Surgery. AO Spine, Sun Valley, ID, 2/2010
  165. McCormick PC: Spinal Cord Tumors. In Masters in Spinal Surgery: What Has Experience Taught Me? Invited Speaker. Annual Meeting, AANS/CNS Joint Spine Section, Orlando, FL, 2/2010
  166. McCormick PC: Spinal Cord Tumors. Looking ahead in intradural spinal oncology. Invited Speaker. Annual Meeting, AANS/CNS Joint Spine Section, Orlando, FL, 2/2010
  167. McCormick PC: Invited Discussant (Accuracy of ICD-9-Based and Retrospective Assessments of adverse events). Annual Meeting, American Association of Neurological Surgeons, Philadelphia, PA, 5/2010
  168. McCormick PC: Intramedullary Spinal Cord Tumors. Seminar Moderator. Annual Meeting, American Association of Neurological Surgeons, Philadelphia, PA, 5/2010
  169. McCormick PC: Intradural tumors. Invited Speaker. CNS Webinar: Management of Common Spinal Cord Tumors, 5/11/2010
  170. McCormick PC: Management of intramedullary spinal cord tumors. Invited Lecturer. Silber Lecture. Massachusetts General Department of Neurosurgery, Boston, MA, 6/2010
  171. McCormick PC: Intradural spinal tumors. Invited Lecturer. Swedish Neuroscience Institute, Seattle, WA, 6/2010
  172. McCormick PC: What are we measuring? Invited Speaker/Moderator. Comparative Efficacy of Treatments for the Lumbar Spine. Madison, WI, 7/2010
  173. McCormick PC: Posterior Approaches to the ventral thoracic spine. Invited Lecturer. 27th Annual Meeting, Brazilian Congress of Neurological Surgery, Salvador, Brazil, 9/2010
  174. McCormick PC: Sagittal Balance. Invited Lecturer. 27th Annual Meeting, Brazilian Congress of Neurological Surgery, Salvador, Brazil, 9/2010
  175. McCormick PC: Intradural Spinal Tumors. Invited Lecturer. 27th Annual Meeting, Brazilian Congress of Neurological Surgery, Salvador, Brazil, 9/2010
  176. McCormick PC: Cervical Arthroplasty. Invited Lecturer. 27th Annual Meeting, Brazilian Congress of Neurological Surgery, Salvador, Brazil, 9/2010
  177. McCormick PC: Anatomic Principles of Intradural Spinal Surgery. Invited Lecturer. Mayo Clinic, Rochester, MN, 10/2010
  178. McCormick PC: Cervical Arthroplasty: A critical review. Invited Speaker. Annual Meeting, Congress of Neurological Surgeons, San Francisco, CA, 10/2010
  179. Kim KD, Brown FD... McCormick PC, ...: PEG Hydrogel Spine Sealant: Two IDE Prospective, Multicenter Randomized Studies. Abstract. Annual Meeting, Congress of Neurological Surgeons, San Francisco, CA, 10/2010
  180. McCormick PC: Spinal Cord Tumors. Invited Speaker. Annual Charles Wilson Lecture. UCSF Department of Neurosurgery, San Francisco, CA, 1/2011
  181. McCormick PC: Evidence Based Medicine in Spinal Surgery. How Has the Process Changed? AANS/CNS Joint Spine Section Annual Meeting, Phoenix, AZ, 3/2011
  182. Kim KD, Cheng JS, ..., McCormick PC, ...: Prospective Randomized Controlled Trial in Spine Patients to Compare Low Swell Formulation of a Polyethylene Glycol Hydrogel Spinal Sealant with Other Methods of Dural Sealing. Abstract. AANS/CNS Joint Spine Section Annual Meeting, Phoenix, AZ, 3/2011
  183. McCormick PC: Intradural Spinal Tumors. What Experience Has Taught Me. AANS/CNS Joint Spine Section Annual Meeting, Phoenix, AZ, 3/2011
  184. McCormick PC: Intramedullary Spinal Cord Tumors. Panel Moderator. Annual Meeting, American

- Association of Neurological Surgeons, Denver, CO, 5/2011
185. McCormick PC: Intradural Spinal Pathology. Invited Speaker. Annual Edward Connolly Lecturer. Oschner Clinic, New Orleans, LA, 4/2011
  186. McCormick PC: Spinal Cord Tumors. Invited Speaker. Spanish Congress of Neurological Surgery. Madrid, Spain, 5/2011
  187. McCormick PC: Evidenced-based spine care in the era of comparative effectiveness research. 6<sup>th</sup> Annual UCSF Spine Symposium, San Francisco, CA, 6/2011
  188. McCormick PC: Spinal Cord Tumors. Invited Lecturer. Vanderbilt University, Nashville, TN, 7/2011
  189. McCormick PC: Evidence based spine care. Invited Speaker. Annual Meeting, Congress of Neurological Surgeons, Washington, DC, 10/2011
  190. McCormick PC: Cervical spondylotic myelopathy. Invited Speaker. Annual Meeting, Congress of Neurological Surgeons, Washington, DC, 10/2011
  191. McCormick PC: Minimally Invasive surgery. Where is the Evidence? Invited Speaker. Cornell MIS Course. New York, NY, 12/2011
  192. McCormick PC: We are Neurosurgery. 2012 Presidential Address. Annual Meeting, American Association of Neurological Surgeons, Miami, FL, 4/2012
  193. McCormick PC: The Science of Practice. Invited Speaker. Annual Meeting, Society of Neurological Surgeons, Atlanta, GA, 5/2012
  194. McCormick PC: Intradural Spinal Tumors. Ved Sachdev Endowed Lecturer. Mount Sinai School of Medicine, New York, NY, 6/2012
  195. McCormick PC: Evidence-based Spine Surgery. Invited Speaker. Annual Meeting, Pennsylvania Neurosurgical Society, Harrisburg, PA, 7/2012
  196. McCormick PC: Anatomic Aspects of Spinal Cord Surgery. Invited Speaker. Hofstra–North Shore University Department of Neurosurgery, Hempstead, NY, 9/2012
  197. McCormick PC: Cervical spondylotic myelopathy. Invited Speaker. Annual Meeting, Congress of Neurological Surgeons, Chicago, IL, 10/2012
  198. McCormick PC: Principles of Spinal Cord Surgery. Invited Speaker. Yale University Department of Neurosurgery, New Haven, CT, 10/2012
  199. McCormick PC: Intradural Spinal Surgery. Matthew Woods Memorial Lecture. University Tennessee Department of Neurosurgery, Memphis, TN, 11/2012
  200. McCormick PC: Minimally Invasive Spine Surgery: A Review of the Evidence. Invited Speaker. Cornell MIS Course, New York, NY, 12/2012
  201. McCormick PC: Advances in Spinal Cord Surgery. Invited Speaker. Jacques Brotchi Symposium, Brussels, Belgium, 12/2012
  202. McCormick PC: Adult Intramedullary Spinal Cord Tumors. Discussant. AANS/CNS Joint Spine Section Annual Meeting, Phoenix, AZ, 3/2013
  203. Ames CP, Clark AJ, ..., McCormick PC: Results of the AANS Membership Survey on Adult Spinal Deformity. Oral Abstract. AANS/CNS Joint Spine Section Annual Meeting, Phoenix, AZ, 3/2013
  204. McCormick PC: Keynote Address Response: American Association of Neurological Surgeons. AANS/CNS Joint Spine Section Annual Meeting, Phoenix, AZ, 3/2013
  205. McCormick PC: Spinal Cord Tumors. Moderator. Annual Meeting, American Association of Neurological Surgeons, New Orleans, LA, 4/2013
  206. McCormick PC: Spinal Cord Surgery. Robert L. Campbell Lecturer. Indiana University Department of Neurosurgery, Indianapolis, IN, 9/2013
  207. McCormick PC: Minimally Invasive Spine Surgery: A review of the Evidence. Invited Speaker. Cornell MIS Course, New York, NY, 12/2013
  208. McCormick PC: Making clinical spine studies relevant. Invited Speaker. NIH sponsored CSM-S Investigator Meeting, Washington, DC, 1/2014
  209. McCormick PC: Management of Intradural Spinal Pathology. Invited Speaker. Stanford University Department of Neurosurgery, Palo Alto, CA, 5/2014
  210. McCormick PC: Management of Paraspinal and Dumbbell tumors. Invited Speaker. Annual Meeting, American Association of Neurological Surgeons, San Francisco, CA, 5/2014
  211. McCormick PC: Faculty career development: Outcomes & quality. Invited Speaker. Annual Meeting, Society of Neurological Surgeons, Rochester, MN, 5/2014

212. McCormick PC: The Pursuit of Quality in Neurosurgical Practice. Honored Guest Speaker. Annual Meeting, New York State Neurosurgical Society, Hartsdale, NY, 6/2014
213. McCormick PC: Quality in Neurosurgical Practice. Grand Rounds, Columbia University Department of Neurological Surgery, New York, NY, 6/2014
214. McCormick PC: Leadership and Career Development in Spinal Surgery. Keynote Speaker Stryker Advanced Spine Course, Mahwah NJ, 4/2015
215. McCormick PC: Surgical Management of Intramedullary Tumors of the Spinal Cord. Invited Speaker. Annual Meeting, American Association of Neurological Surgeons, San Francisco, CA, 5/2015
216. McCormick PC: Spine Surgery Should be a Separate Specialty (Point: Counterpoint). Invited Speaker. Annual Meeting, American Academy of Neurological Surgery, Heidelberg, Germany, 10/15
217. McCormick PC: The Search for Truth in Neurosurgery. Invited Speaker. Trinity Upper School Chapel, New York, NY, 2/2016
218. McCormick PC: Spinal Cord Tumors. Invited Speaker. AANS/CNS Joint Spine Section Annual Meeting, Orlando, FL, 3/2016
219. McCormick PC: Intramedullary Spinal Cord Tumors. Invited Speaker. Annual Meeting, American Association of Neurological Surgeons, Chicago, IL, 4/2016

## **COURSES AND SYMPOSIA**

1. Degenerative Diseases of the Lumbar Spine. Course Instructor. Regional seminar presented by the American Association of Neurological Surgeons, Boston, MA, 7/1990
2. Degenerative Diseases of the Lumbar Spine. Course Instructor. Regional seminar presented by the American Association of Neurological Surgeons, Philadelphia, PA, 10/1990
3. Thoracolumbar Instrumentation. Course Instructor. Practical Course, Annual Meeting, Congress of Neurological Surgeons, Los Angeles, CA, 10/1990
4. Thoracolumbar Instrumentation. Course Instructor. Practical Course, Annual Meeting, Congress of Neurological Surgeons, New Orleans, LA, 4/1991
5. Thoracolumbar Instrumentation. Course Instructor. Practical Course, Annual Meeting, Congress of Neurological Surgeons, Orlando, FL, 10/1991
6. Thoracolumbar Instrumentation. Course Director. Practical Course, Annual Meeting, Joint Section on Disorders of the Spine and Peripheral Nerves, Miami, FL, 2/1992
7. Consultant's Corner: Spine Surgery Problem Cases – Ask the Experts. Seminar Panelist. Practical Course. Annual Meeting, Joint Section on Disorders of the Spine and Peripheral Nerves, Miami, FL, 2/1992
8. Consultant's Corner: Spine Surgery Problem Cases – Ask the Experts. Annual Meeting, American Association of Neurological Surgeons, San Francisco, CA, 4/1992
9. Thoracolumbar Instrumentation. Course Instructor. Practical Course, Annual Meeting, American Association of Neurological Surgeons, San Francisco, CA, 4/1992
10. Thoracolumbar Instrumentation. Course Instructor. Practical Course, Annual Meeting, Congress of Neurological Surgeons, Washington, DC, 10/1992
11. Consultant's Corner: Spine Surgery: Problem Cases – Ask the Experts. Seminar Panelist. Annual Meeting, Congress of Neurological Surgeons, Washington, DC, 10/1992
12. Thoracolumbar Instrumentation. Course Director. Practical Course, Annual Meeting, Joint Section on Disorders of the Spine and Peripheral Nerve, Tucson, AZ, 2/1993
13. Consultant's Corner: Spine Surgery: Problem Cases – Ask the Experts. Seminar Panelist. Annual Meeting of Joint Section on Disorders of the Spine and Peripheral Nerve, Tucson, AZ, 2/1993
14. Surgical Exposure of the Spine: Hands on. Course Instructor. AANS Instructional Course, Albuquerque, NM, 11/1993
15. Cervical Spine Instrumentation. Course Instructor. Practical Course, Annual Meeting, American Association of Neurological Surgeons, San Diego, CA, 4/1994
16. Advanced Thoracic and Lumbar Spine Management: Hands on. Course Instructor. Professional Development Course, American Association of Neurological Surgeons, New Orleans, LA, 3/1995
17. Cervical Spine Instability: Instrumentation and Other Methods of Management. Practical Course, Annual Meeting, American Association of Neurological Surgeons, Orlando, FL, 4/1995

18. Advanced Thoracic and Lumbar Spine Management: Hands on. Course Instructor. Professional Development Course, American Association of Neurological Surgeons, Chicago, IL, 11/1995
19. Advanced Thoracic and Lumbar Spine Management: Hands on. Course Instructor. Professional Development Course, American Association of Neurological Surgeons, New Orleans, LA, 3/1996
20. Cervical Spine Stabilization: Course Instructor. Practical Course, American Association of Neurological Surgeons, Rolling Meadows, IL, 4/1996
21. Stabilization of the Thoracolumbar Spine: Course Instructor. Practical Course, American Association of Neurological Surgeons, Rolling Meadows, IL, 4/1996
22. Eight Annual International Spine Workshop for Orthopedic and Neurological Surgeons. Hands on. Course Instructor, Bethesda, MD, 6/1996
23. Advanced Thoracic and Lumbar Spine Management: Hands on. Course Instructor. Professional Development Course, American Association of Neurological Surgeons, Chicago, IL, 10/1996
24. Outcomes Research: The Future of Surgery. Symposium Director and Moderator. Symposium II Joint Section on Disorders of Spine and Peripheral Nerves, Newport, CA, 2/1997
25. Staying on the Frontline of Health Care Delivery. Interdisciplinary Approaches and Expansion Opportunities Special Symposium. Annual Meeting, American Association of Neurological Surgeons, Denver, CO, 4/1997
26. Surgical Exposure of the Thoracic and Lumbar Spine: Hands on. Course Director. Annual Meeting, Congress of Neurosurgical Surgeons, New Orleans, LA, 9/1997
27. Surgical Exposure of the Thoracic and Lumbar Spine: Hands on. Course Instructor. Annual Meeting, American Association of Neurological Surgeons, Philadelphia, PA, 4/1998
28. Surgical Exposure of the Thoracic and Lumbar Spine: Hands on. Course Director. Annual Meeting, Congress of Neurological Surgeons, Seattle, WA, 10/1998
29. Surgical Exposure of the Thoracic and Lumbar Spine: Hands on. Course Instructor. Annual Meeting, American Association of Neurological Surgeons, New Orleans, LA, 4/1999
30. Surgical Exposure of the Thoracic and Lumbar Spine: Hands on. Course Director. Annual Meeting, Congress of Neurological Surgeons, Boston, MA, 10/1999
31. The 21st Century Neurosurgical Organization. Course Director. Annual Meeting, American Association of Neurological Surgeons, San Francisco, CA, 4/2000
32. Spinal Instrumentation for Residents. Course Instructor. Annual Meeting, American Association of Neurological Surgery, Toronto, Canada, 4/2001
33. Special Course II: Master Surgeon, Cervical: Minimizing Complications in Cervical Surgery. Annual Meeting, AANS/CNS Joint Spine Section, San Diego, CA, 3/2004
34. Neurosurgery 2007: Literature Review. Course Director. Practical Clinic, Annual Meeting, Congress of Neurological Surgeons, San Diego, CA, 10/2007
35. Oral Board Preparation. Instructor. Practical Clinic, Annual Meeting, Joint Spine on Disorders of the Spine and Peripheral Nerves, Orlando, FL, 2/2008
36. Neurosurgery 2008: Literature Review. Course Director. Practical Clinic, Annual Meeting, Congress of Neurological Surgeons, Orlando, FL, 9/2008
37. Update on Spinal Surgery for the practicing Neurosurgeon. Course Director. Practical Clinic. Annual Meeting, American Association of Neurological Surgeons, San Diego, CA, 5/2009
38. Neurosurgery 2009: Literature Review. Practical Clinic, Annual Meeting, Congress of Neurological Surgeons, New Orleans, LA, 10/2009
39. Spine Update: A Critical Assessment of Peer-Reviewed Spine Literature for the Practicing Neurosurgeon. Practical Clinic, Annual Meeting, Congress of Neurological Surgeons, San Francisco, CA, 10/2010
40. Using Evidence Based Medicine to Manage Spinal Disorders. Course Director. Practical Clinic, Annual Meeting. Congress of Neurological Surgeons, Chicago, IL, 10/2012
